SMU Administration Building,
81 Victoria Street,
Singapore 188065

TARGET PARTICIPANTS

Middle Management with minimum of 8 years working experience, of which 3 years in a managerial role.

OVERVIEW OF THE IMPACT LEADERSHIP PROGRAMME

IMPACT Leadership is an unique leadership programme customised to the needs of middle management in the Community Care sector. The programme is specially designed to advance the skills and confidence in middle management to appreciate, then translate strategies into effective actions in order to support and drive positive change together with your senior management in the evolving Community Care landscape.

PROGRAMME OBJECTIVES

IMPACT Leadership is a highly experiential and interactive five-day programme. You will gain insight and perspective that will help you to unlock your leadership potential and develop the essential leadership skills necessary to achieve palpable results throughout your organisation.

By increasing leadership competencies in the areas of self-awareness, communication, influence and strategic thinking, you will be:

- Defining personal and community direction & greater self awareness
- Developing strategy for the future
- Creating vision for caring leadership-leveraging diversity in highperforming teams
- Leading with heart; empowering participation and partnership
- Encouraging accountability while achieving sustainable results: Responsible resource management
- Leading an engaging change process
- Envisioning the future of care – Improving process

PROGRAMME HIGHLIGHTS

Programme highlights include Strategy creation and assessment, dialogue session with senior management from MOH, and sessions on coaching.

MODULE 1

GIVING DIRECTION: THE PERSONAL AND THE COMMUNITY

To lead, one must give direction - and giving direction starts with oneself. Participants will be led through a self-assessment, and appreciate the crafting of strategy for the future through innovation. Health and Community Care will be placed in the Singapore and world wide context. An appreciation of team leadership and its best practices round off this first module.

RUN 4: 9–10 JUL 2020
RUN 5: 22–23 OCT 2020

MODULE 2

LEADERSHIP FINANCE, AND CHANGE

In this module, participants delve into leadership proper, with instructions for effective coaching and the challenges arising when leading through a change agenda. Attention is given to financial responsibility and accountability for a sustainable person-centred care model.

RUN 4: 20–22 JUL 2020
RUN 5: 2–4 NOV 2020

Participation is strictly by nomination of your organisation's senior management.
